

CHECKLIST

Protecting Unfinished Artwork: Studio Checklist

- ☐ Move vulnerable pieces away from windows and doorways

- ☐ Store canvases upright with acid-free dividers between them

- ☐ Photograph work in progress at key stages with even lighting

- ☐ Drape a cotton sheet over your easel between sessions

- ☐ Keep paint palettes and tools clean to prevent dried fragments landing on nearby work

- ☐ Maintain stable temperature and avoid direct sunlight on unfinished surfaces

- ☐ Clear a dedicated drying area raised off the floor with airflow underneath

- ☐ Note your progress and colour mixes before stepping away for long periods
